ADDITIONS/ALTERATIONS IN GENERAL POOL ACCOMMODATION

No. 11014/22/90-W-3
Government of India
Ministry of Urban Affairs & Employment
Department of Urban Development
(Works Division)

New Delhi, dated the 8.1.96

OFFICE MEMORANDUM

Subject: Additions/Alterations to be carried out in General Pool Accommodation at the request of the allottees.

The undersigned is directed to say that the Directorate of Estates in their O.M. No. 18011/5/88-Pol.III dated 10.11.88 stipulated that works of addition/alteration of a non-structural character might be carried out on priority basis in the residence of the cost of such works by the allottee. An illustrative list of works indicating the estimated cost thereof was also enclosed with the aforesaid o.M. In addition, the monetary ceiling for carrying out such works of addition/alteration during a year had also been prescribed in the aforesaid O.M.

2. The question of prescribing an exhaustive list of works of addition/alteration, which could be carried out on priority basis on payment of a certain percentage of the cost of works by the allottee concerned, has been considered in the light of the requests received so far and carried out by the CPWD in quarters of various types. It has now been decided that the works of addition/alteration should be classified into 3 distinct categories and the allottees shall be required to pay 10 %, 20 % or 100 % of the cost of the works depending upon the nature of the work. Accordingly, a statement indicating the list of works pertaining to the civil and electrical items, which may be carried out on the allottee paying the specified percentage of the cost of the work has been compiled and is given in Annexure –I.
3. The annual monetary ceiling prescribed for carrying out works of addition/alteration in the residences of various types had been revised under this Ministry's O.M. of even number dated 5.1.95. The existing monetary ceiling for carrying out such works of addition/alteration in various types has been given in Annexure-II. The value of works which are carried out on the allottee paying 100 % of the cost of the works will not be set off against the monetary ceiling specified in Annexure-II.
4. These order will not apply in respect of general pool accommodation allotted to Ministers/Members of Parliament and ineligible categories of persons such as artists, freedom fighters etc., and residences allotted to Members of parliament from the Lok Sabha/Rajya Sabha Pool.
5. No work of addition/alteration which involves structural changes in the residences allotted would be carried out. The decision of the CPWD as to whether any work of addition/alteration, requested by the allottee is of a structural nature shall be final.
6. These instructions are issued in supercession of all previous instructions and have the approval of the integrated finance unit vide their No. 1719-F/JS(FIN.)/95 dated 26.12.95.

(V V Ramanathan)

Deputy Secretary to the Government of India

Annexure –I

ITEMS OF THE WORKS TO BE CARRIED OUT IN ADDITIONS AND ALTERATIONS
